The Honorable Bernie Sanders, Ranking Member
Committee on Health, Education, Labor and Pensions
United States Senate
332 Dirksen Senate Office Building
Washington, DC 20510

Dear Senator Sanders:

On behalf of the more than 2 million members of the
National Retiree Legislative Network (NRLN), I am
requesting that you support calling for a vote in the
Committee on Health, Education, Labor and Pensions
on **S.641, Safe and Affordable Drugs from Canada
Act of 2025**

S.641 would allow Americans to safely import
prescription drugs from Canada – lowering costs,
increasing access and strengthening competition in the
pharmaceutical market. Americans pay the highest
prices in the world for prescription drugs. Brand-name
prescription drugs that are invented in America cost
more than twice as much in the United States as in
Canada.

Passage of this bill would increase competition in the
pharmaceutical market and save Americans money by
allowing them to import their medications from
pharmacies in Canada.

If you would like to learn more about why NRLN
supports this bill, please contact me or Alyson Parker,
NRLN Executive Director in Washington, DC, at
parkerstrategies@gmail.com or call 813-545-6792.

Sincerely,

Bill Kadereit, President
National Retiree Legislative Network
