The Honorable Ron Wyden, Ranking Member
Committee on Finance
United States Senate
221 Dirksen Senate Office Building
Washington, DC 20510-3703

Dear Senator Wyden:

On behalf of the more than 2 million members of the National Retiree Legislative Network (NRLN), I am requesting that you support calling for a vote in the Committee on Finance on **S1971, Nutrition Care Act**.

Passage of the bill would expand access to medical care for Medicare beneficiaries with eating disorders by including coverage of outpatient medical nutrition therapy through Medicare Part B, which will provide patients with a more comprehensive, specialized approach to combating eating disorders than what is currently offered under Medicare. Physicians, registered dietitians, nutrition specialists, and mental health professionals would be allowed to provide medical nutrition therapy services to Medicare beneficiaries. Currently, Medicare beneficiaries who have an eating disorder can access psychiatric therapy and medical services.

If you would like to learn more about why NRLN supports this bill, please contact me or Alyson Parker, NRLN Executive Director in Washington, DC, at parkerstrategies@gmail.com or call 813-545-6792.

Sincerely,

A handwritten signature in dark ink that reads "Bill Kadereit".
