The Honorable Bobby Scott, Ranking Member
Committee on Education and Workforce
U.S. House of Representatives
2328 Rayburn House Office Building
Washington, DC 20515-4603

Dear Representative Scott:

On behalf of the more than 2 million retirees and future retirees represented by the National Retiree Legislative Network (NRLN), I am requesting that you support calling for a vote in the Committee on Education and Workforce on **H.R.5278, Affordable Inhalers and Nebulizers Act of 2025**

Research shows that the high cost of medicines is a top barrier for treatment of Americans with asthma and Chronic Obstructive Pulmonary Disease (COPD). The **Affordable Inhalers and Nebulizers Act**, would allow Americans and their families to be able to afford vital medications by reducing the price of asthma medications and therapies used to treat asthma and other lung disorders.

To learn more about why the NRLN supports this bill please ask a member of your staff to contact me or Alyson Parker, the NRLN's Executive Director in Washington, DC at 813-545-6792 or parkerstrategies@gmail.com.

Sincerely,

Bill Kadereit, President,
National Retiree Legislative Network
